## Stunning Designer Shoes, Handbags & Accessories

**L**ocated in the historic quarter of Bury St Edmunds, Nicola Sexton is an independent Shoe Boutique able to offer quality, statement pieces with a European flavour. From a stunning collection of Italian and Spanish hand-made shoes to exquisite accessories including Handbags, Belts and stunning Jewellery to mention but a few. Nicola Sexton has something to offer anyone who shares her passion for originality.

The Boutique opened in April 2010 and during the past 19 months Nicola has enjoyed a fabulous response to her new venture. She has purposely sourced Italian designer brands with no other representation in the UK and currently enjoys an exclusive supply.

Luciano Padovan sits as Nicola's favourite designer, as seen on the feet of celebrities such as

Anastasia, Penelope Cruz, Kate Hudson and of course Sex and the City's own Miranda! Luciano's unique style turns heads at every corner and is now being enjoyed by many style conscious local ladies.

However, it's not just the killer heels that can be found at Nicola Sexton, her own label offers a flat ballet pump and traditional wedge style loafer. On visiting you will find a real variety of styles and certainly a price range to suit all!

For the festive Season Nicola has carefully sourced beautiful Christmas Gifts to compliment her usual range of accessories from eye-catching Moschino Umbrellas to luxurious Faux Fur Boot Liners.....she really has it all
